

Stacking Shelf

A shelf which can be extended both vertically and horizontally to suit various needs. As this shelf does not have a rear panel, it can be used as a bookshelf, a decorative shelf, or even as a room dividing shelf. A wide type is also available to suit different applications.

Extending shelves vertically or horizontally

By combining a basic set with additional sets, you can extend the shelves vertically and horizontally to achieve your desired configuration. MUJI's storage items fit nicely in these shelves.

Stainless Steel Unit Shelf

Stainless Steel Unit Shelves made with selectable parts to match your style and usage. Create your own functional shelf for any purpose, from laundry rack to wardrobe, bookshelf, and desk.

Basic Set

Shelf Board
Frame

Wardrobe Bar

Wardrobe Bar

Pine Unit Shelf

A lineup of shelves and chests made of pine with a beautiful natural grain. The shelves are sized to accommodate MUJI's storage items.

Combine to your desired configuration

Choose from 3 sizes with 2 widths, the pine unit shelf can be configured to how you want to use it. Using special parts such as wardrobe bars together with MUJI's storage items, create an open shelf that is easy to use.
